

I oppose this recommendation, as a member of ARRL - it is a HUGE mistake to abolish Morse code requirements for General Class. Amateur Radio is a SERVICE - not just a hobby - and further lessening of requirements when governments (city & state), agencies, etc. rely on Amateurs of all classes is not in the best interest of those said governments (city & state), agencies, etc.

I hope you will reject this proposal.

sincerely,

J. Mitchell, WH7Y
